MEMORANDUM FOR THE RECORD

**SUBJECT: Invitee Processing of Thirty (30)
Communications Personnel (Military)**

1. Attached is a list of Communications Personnel (military) ordered to Headquarters for invitee processing during the week of 8 July 1963.

2. Personnel successfully completing invitee processing will proceed to a communications training facility for a 6-week training course, starting 15 July 1963. Upon completion of training, on or about 23 August, personnel will return to their home base for their "out" processing, reporting to their new duty station on or about 1 August 1963. It is anticipated that a full security clearance can be granted prior to 1 October 1963. Personnel will not, of course, be ordered to their new post of duty until their full clearance is completed.

3. [] of Personnel, OSA-DD/R, Ext. 7206-07, should be advised as soon as the results of the medical and security examinations are available so that personnel may either be returned to their permanent duty station or be made available for further training.

4. Expedite processing and handling of these military communications personnel is necessary if a highly sensitive operation is to proceed on schedule.
